SLIDE REMOVED DUE TO CAC OPSEC REQUIREMENTS

SLIDE REMOVED DUE TO CAC OPSEC REQUIREMENTS

Deliverables

- What is the Army SFA Proponent Campaign Plan out through 2015?
- What is the Army SFA Strategy out through 2015?
- What are the current DOTMLPF gaps that need to be addressed?

DOTMLPF Gaps: Doctrine

- 1. FM 3-07.1 needs re-write to incorporate Phase 0 through Phase 5
- 2. TTP manual on WIKI; pilot program, feedback from the field is lacking
- 3. Where is the overlap between SFA and Security Cooperation? Is the BCT appropriate? What are the objectives?
- 4. Do the relationship's outlined in Chapter 1, pages 3-7, FM 3-07.1 accurately reflect authorities and ground truth.

Organization

- How do we shape 162nd ITB under DP 110 to train and adapt to ever changing requirements.
- What is the augmentation package for Phase 0 and Phase 4/5?
- What is the Sustainment piece in Phase 0 SFA missions?
- Do we rotate people through skills and assignments to meet SFA requirements?

Training

- Resourcing of CTC's and 162nd.
- Residence Course on Advisors; Short Course; MTT capability and distributed learning capability.
- Training needs to be tailored for modularity specific to the mission
- What are the training outputs and organizational design of the 162nd ITB to meet the 15 Brigade (3:1) training model

Materiel

- What is SFA Brigade Specific Materiel?
- What is theater specific SFA Materiel based upon mission?
- Three issues for ID: 1. Describe the task, 2. Describe the issue, 3. What is Material, what is not!

Leader Development & Education

- Echeloned education across the Army for SFA from NCO, WO, & Officer PME.
- Proponent responsibility for reviewing and advising on Training POI's
- How to incorporate Culture and Language training throughout the PME system

Personnel

- Skill tracking; What it it? What skills? What Level? What is the purpose?
- What is the organizational design of the 162nd ITB post OIF/OEF?
- Need to understand the range of demands from large to small requirements from Phase 0 to Phase V.
- What does the augmentation package for a GCC look like?

Miscellaneous

- Should SFA be defined at FSF Division and Below
- How do we bridge the Gap between Ministerial/Strategic Level and Operational/Tactical level
- Advising Police Forces an issue both legally and operationally.
- How do we change authorities and money under Title 22 to conduct post OIF/OEF SFA
